I PLEDGE TO READ 1000 BOOKS TO MY CHILD BEFORE KINDERGARTEN (SIGN): ________________

By providing your email, you will be added to our email newsletter of library events and news. We do not share this information, and you may unsubscribe at any time.

1000 Books Before Kindergarten at the Plainsboro Public Library seeks to support you in reading 1000 books to your child in their early years.

In the library, we will celebrate your child’s achievements and track their progress. You will be given your first reading log to track your first 100 books. Once it is filled, return to the library for your next reading log, and we will advance your child’s progress on the library’s “Rainbow of Reading” while providing your child with small prizes and incentives.

You may bring in a small, 3x5 photograph of your child which we will use on our “Rainbow of Reading” to track their progress. We hope that by seeing their face in the library, they will be inspired to read with you and progress to their 1000 book goal.

Books read to your child by you, any family member, or at a library story time all count toward your reading goal. Additionally, any audiobooks listened to, or apps that read stories to children also count.

The best reading, however, is when you and your child share time together. This creates great memories, provides a good role model for your child, and enriches the bond between parent and child.

We look forward to seeing your progress towards 1000 books!
